RE: Westwater, Inc.
Harley Dome Minerals Mine
ACT/019/012
Grand County, Utah

Dear Mr. Kobayashi:

On September 23, 1982, tentative approval, with three conditions, was granted to the Harley Dome Minerals Mine by the Division of Oil, Gas, and Mining.

Presently, all conditions have been satisfied except for submittal of the reclamation surety. As you will recall, the surety estimate agreed upon in 1983 dollars was \$51,744. If this amount of surety is not submitted for Board of Oil, Gas, and Mining approval of the form within 60 days of receipt of this letter, procedures may be initiated to withdraw tentative approval for the mine.

Please contact me, or Susan Linner of my staff, if an alternate timetable for surety submittal is justified.

Sincerely,

JAMES W. SMITH, JR.
